### **DIRECTORS' REPORT**

The directors hereby submit the report and the audited financial statements of the Company for the financial year ended 31 December 2022.

# DIRECTORS

The names of directors of the Company who served during the financial year and up to the date of this report are as follows:-

Mr. Tang Kuonghow	Chairman
Mrs. Hsu, Chia-Chia	Vice Chairwoman
Mr. Tang Kaokeat	Director
Mr. Mak Chamroeun	Independent Director

# DIRECTORS' RESPONSIBILITY IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible to ascertain that financial statements are properly drawn up so as to give a true and fair view of the financial position of the Company as at 31 December 2022 and of its financial performance and its cash flows for the financial year then ended. In the preparation of these financial statements, the directors are required to:

- (i) adopt appropriate accounting policies in compliance with Cambodian International Financial Reporting Standards for Small and Medium-Sized Entities (CIFRS for SMEs), supported by reasonable and appropriate judgments and estimates and then apply them consistently;
- comply with disclosure requirements of CIFRS for SMEs and the guidelines of the National Bank of Cambodia relating to the preparation and presentation of the financial statements or, if there have been any departure in the interest of true and fair presentation, ensure that these have been appropriately disclosed, explained and quantified in the financial statements;
- (iii) maintain adequate accounting records and an effective system of internal controls;
- (iv) prepare the financial statements on a going concern basis unless it is inappropriate to assume that the Company will continue its operation in the foreseeable future; and
- (v) control and direct effectively the Company in all material decisions affecting its operations and performance and ascertain that such decisions and/ or instructions have been properly reflected in the financial statements.

The directors confirm that the Company has complied with the above requirements in preparing the financial statements.

# STATEMENT BY DIRECTORS

In the opinion of the directors, the accompanying financial statements of the Company are drawn up in accordance with CIFRS for SMEs so as to give a true and fair view of the financial position of the Company as at 31 December 2022 and of the results of its operations and its cash flows for the year then ended.

(Incorporated in Cambodia) Company No: 00043909

#### DIRECTORS' REPORT

#### PREPARATION OF THE FINANCIAL STATEMENTS

In the preparation of the financial statements, the directors have taken regard of the following matters:-

- (i) all material transfers to or from reserves or provisions during the financial year are disclosed in the financial statements;
- (ii) adequate allowance for impairment losses on receivables and other current and non-current assets, if required, has been made;
- (iii) known bad debts had been written off, if any;
- (iv) existing methods of valuation of assets or liabilities is not misleading or inappropriate;
- there are no known circumstances that would render any amount stated in the financial statements to be misleading;
- (vi) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors, to affect substantially the results of the operations of the Company for the financial year in which this report is made;
- (vii) the results of the operations of the Company during the financial year were not, in the opinion of the directors, substantially affected by any item, transaction or event of a material and unusual nature;
- (viii) no contingent or other liability of the Company has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may substantially affect the ability of the Company to meet its obligations when they fall due.

#### APPROVAL OF THE FINANCIAL STATEMENTS

The directors hereby approve the accompanying financial statements which give a true and fair view of the financial position of the Company as at 31 December 2022, and its financial performance and its cash flows for the financial year then ended in accordance with CIFRS for SMEs.

Tang Kuonghow

Chairman

Date: 27 April 2023

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF G B MICROFINANCE INSTITUTION PLC.

(Incorporated in Cambodia) Company No: 00043909

# **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

#### Opinion

Crowe (KH) Co., Ltd Chartered Accountants Member Crowe International

Unit 4B, 4<sup>th</sup> floor, K1 Building, #148, Mao Tse Toung Blvd (St.245) Songkat ToulTompong 2 Khan Chomkarmon, Phnom Penh Kingdom of Cambodia Main +855 23 216 717 Fax +855 23 216 727 www.crowe.com.kh info@crowe.com.kh

We have audited the financial statements of G B Microfinance Institution Plc. which comprise the statement of financial position of the Company as at 31 December 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the financial year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 6 to 46.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 December 2022, and of its financial performance and its cash flows for the financial year then ended in accordance with Cambodian International Financial Reporting Standards for Small and Medium-sized Entities ("CIFRS for SMEs") and guidelines of the National Bank of Cambodia.

#### Basis of Opinion

We conducted our audit in accordance with Cambodian International Standards on Auditing ("CISA"). Our responsibilities under those standards are further described in *the Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in the Kingdom of Cambodia, and we have fulfilled our other ethical responsibilities in accordance with these requirements and IESBA Code.

#### Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the other information. The other information comprises the Directors' Report, but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF G B MICROFINANCE INSTITUTION PLC.

(Incorporated in Cambodia) Company No: 00043909

#### **Responsibilities of Director for the Financial Statements**

The directors of the Company are responsible for the preparation of financial statements that give a true and fair view in accordance with (CIFRS for SMEs) and guidelines of the National Bank of Cambodia. The directors are also responsible for such internal controls as the directors determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intends to liquidate the Company or to ceases operations, or have no realistic alternative but to do so.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with CISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with CISA, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:-

- identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the director.
- conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

#### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF G B MICROFINANCE INSTITUTION PLC. (Incorporated in Cambodia)

Company No: 00043909

#### Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

• evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements of the Company represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the director regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the financial statements denominated in the functional currency of United States Dollar ("USD"). The translation of the financial statements from USD into Khmer Riel ("KHR") using the closing and average rates as at 31 December 2022 and for the year then ended, respectively, is presented for the purpose of additional analysis and it does not form an integral part of the audited financial statements. The translation has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express any opinion on it.

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 1. GENERAL INFORMATION

G B Microfinance Institution Plc ("the Company") was incorporated in Cambodia and registered with the Ministry of Commerce on 21 June 2019 under Registration No. 00043909 and commenced its commercial operations in August 2019. On 22 October 2019, the Company obtained a licence from the National Bank of Cambodia ("NBC") to operate as a microfinance institution.

Registered office:	#J-37, Street Lum, Sangkat Tonle Bassac, Khan Chamkarmon,
-	Phnom Penh, Kingdom of Cambodia.

Principal of business: #J-37, Street Lum, Sangkat Tonle Bassac, Khan Chamkarmon, Phnom Penh, Kingdom of Cambodia.

The financial statements were authorised for issue by the directors on 27 April 2023.

# 2. PRINCIPAL ACTIVITIES

The Company is principally engaged in all aspects of micro-finance services business and the provision of related financial service in Cambodia.

There have been no significant changes in the nature of the principal activities during the financial year.

# 3. BASIS OF PREPARATION

The financial statements of the Company are prepared under the historical cost convention and modified to include other bases of valuation as disclosed in other sections under significant accounting policies, and in compliance with the guidelines issued by the NBC and Cambodian International Financial Reporting Standards for Small and Medium-sized Entities ("CIFRS for SMEs").

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES

#### 4.1 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

#### Key Sources of Estimation Uncertainty

Management believes that there are no key assumptions made concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year other than as disclosed below: -

#### (a) Impairment on Loans and Advances to Customers

An impairment loss is recognised when there is objective evidence that a financial asset is impaired. Management specifically reviews its loans and advances and analyses their ageing profile, historical bad debts, customer concentrations, customer creditworthiness, current economic trends and changes in the customer payment terms when making a judgement to evaluate the adequacy of the allowance for impairment losses. Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. If the expectation is different from the estimation, such difference will impact the carrying value of receivables.

#### (b) Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Company recognises tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax and deferred tax provisions in the year in which such determination is made.

#### Critical Judgements Made in Applying Accounting Policies

Management believes that there are no instances of application of critical judgement in applying the Company's accounting policies which will have a significant effect on the amounts recognised in the financial statements.

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.2 FUNCTIONAL AND PRESENTATION CURRENCIES

#### (a) Functional and Presentation Currency

The financial statements of the Company are presented in the currency of the primary economic environment in which the Company operates, which is the functional currency.

The financial statements are presented in US Dollar ("USD"), which is the Company's functional and presentation currency.

The translation of the USD amounts into Khmer Riel ("KHR") is presented in the financial statements to comply with the Law on Accounting and Auditing dated 11 April 2016 using the closing and average rates for the year then ended, as announced by Accounting and Auditing Regulator ("ACAR").

The financial statements are presented in KHR based on the following applicable exchange rates per USD1:

	2022	2021
Average rate	4,087	4,068
Closing rate	4,117	4,074

Amounts in the financial statements have been rounded off to the nearest dollar and nearest thousand for USD and KHR amounts, respectively.

#### (b) Foreign Currency Transactions and Balances

Transactions in foreign currencies are converted into the respective functional currencies on initial recognition using exchange rates at the transaction dates. At the end of the reporting period, foreign currency monetary assets and liabilities are retranslated at the exchange rates of that date. Non-monetary assets and liabilities denominated in foreign currencies are not retranslated at the end of the reporting.

All foreign currency exchange differences arising from the settlement of monetary items or on the retranslation of monetary items are recognised in profit or loss in the period in which they arise.

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.3 FINANCIAL INSTRUMENTS

#### (a) Initial recognition and measurement

Financial assets and financial liabilities are recognised in the statements of financial position when the Company has become a party to the contractual provisions of the instruments.

A financial instrument is recognised initially at the transaction price, including transaction costs. For a financial asset or a financial liability that is subsequently measured at fair value through profit or loss, transaction costs are recognised in profit or loss when incurred.

An arrangement constitutes a financing transaction if payment is deferred beyond normal business terms. Under a financing transaction, a financial asset or a financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument as determined at initial recognition. Any fair value adjustment upon the initial recognition is recognised in profit or loss immediately as a gain or loss if that fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets; otherwise, the difference is charged to profit or loss on a straight-line method over the contractual terms of the financial instrument.

#### (b) Subsequent measurement

Debt instruments that are classified as current assets or current liabilities are measured at the undiscounted amount of cash or other consideration expected to be paid or received unless the arrangement constitutes, in effect, a financing arrangement. Other debt instruments are measured at amortised cost using the effective interest method.

Other than the above, all financial assets and financial liabilities are measured at fair value with changes in fair value recognized in profit or loss.

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

#### 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.3 FINANCIAL INSTRUMENTS (CONT'D)

#### (c) Derecognition

A financial asset or part of it is derecognised when, and only when, the contractual rights to the cash flows from the financial asset expire or financial asset is transfer to another party without retaining control or substantially all risks and rewards of asset. On derecognition of a financial asset, the difference between the carrying amount and the consideration received (including any new liability assumed) and is recognised in profit or loss.

A financial liability or a part of it is derecognised when, and only when, the obligation specified in the contract is discharged, cancelled or expires.

A substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid (including any noncash assets transferred or liabilities assumed) is recognised in profit or loss.

#### (d) Ordinary share

Ordinary shares are classified as equity and recorded at the proceeds received, net of directly attributable transaction costs.

Dividends on ordinary shares are recognised as liabilities when approved for appropriation.

#### 4.4 EQUIPMENT

All items of equipment are initially measured at cost. Cost includes expenditure that are directly attributable to the acquisition of the asset and other costs directly attributable to bringing the asset to working condition for its intended use.

Subsequent to initial recognition, all equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of parts that are replaced is derecognised.

Depreciation is charged to profit or loss on a declining method to write off the depreciable amount of the assets over their estimated useful lives. The principal annual rates used for this purpose are:-

Leasehold improvement	20%
Furniture and fixtures	25%
Office equipment	25%
Computer equipment	25%
Motor vehicles	25%

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

# 4.4 EQUIPMENT (CONT'D)

The depreciation method, useful lives and residual values will be reviewed if there is a significant change since the last annual reporting date in the pattern by which the Company expects to consume an asset's future economic benefits. Any changes are accounted for as a change in accounting estimate.

Any gain or loss arising from the disposal of equipment is recognised in profit or loss.

# 4.5 INTANGIBLE ASSETS

Intangible assets represent the initial costs incurred for the banking software.

Following initial recognition, intangible assets are stated at cost less accumulated amortization and any accumulated impairment losses.

Intangible assets are assessed to have finite useful lives and are amortized over the license period using straight line method. The intangible assets are also assessed for impairment whenever there is an indication that they may be impaired. Intangible assets are amortized as below: -

Intangible asset

# 4.6 IMPAIRMENT

#### (a) Impairment of Financial Assets

All financial assets (except for financial assets measured at fair value through profit or loss) are assessed for impairment at each reporting date when there is an objective evidence of impairment.

For a financial asset measured at amortised cost, the impairment loss is the difference between the financial asset's carrying amount and the present value of estimated cash flows discounted at the financial asset's original effective rate.

For a financial asset measured at cost less impairment, the impairment loss is the difference between the financial asset's carrying amount and the best estimate of the amount that would be received for the financial asset if it were to be sold at the reporting date.

All impairment losses are recognised in profit or loss immediately.

If, in a subsequent period, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment loss was recognised, the previous recognised impairment loss is reversed to the extent that the carrying amount of the financial asset does not exceed its amortised cost at the reversal date. The amount of impairment reversal is recognised in profit or loss.

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.6 IMPAIRMENT (CONT'D)

#### (a) Impairment of Financial Assets (Cont'd)

#### Loans and advances to customers

On 1 December 2017, NBC issued a new Prakas No. B7-017-344 on Credit Risk Grading and Impairment Provisioning for ensuring appropriate recognition, measurement, provisioning and reporting of impaired facilities of the institutions. Facilities under this Prakas are defined as all loans and other financial products, whether reported on balance sheet or off-balance sheet, provided by an Institution to a counterparty, which give rise to credit risk exposure on the Institution.

On 16 February 2018, NBC issued Circular No. B7-018-001 clarifying on implementation of Prakas on Credit Risk Grading and Impairment Provisioning.

According to the new Circular and during the transitional period (from 1 December 2017 to 31 December 2018), the Company is required to calculate the allowance for impaired facilities in accordance with regulatory provision of which facilities are classified into 5 classes with allowance rates as follows: -

Classifications	Number of days past due	Allowance
1. General allowance		
Short-term facilities (one year or le Normal	<i>ess):</i> 0-14 days	1%
<i>Long-term facilities (more than on</i> Normal	e year): 0-29 days	1%
2. Specific allowance		
Short-term facilities (one year or le	ess):	
Special mention	15-30 days	3%
Sub-standard	31-60 days	20%
Doubtful	61-90 days	50%
Loss	91 days & above	100%
Long-term facilities (more than on	e vear):	
Special mention	30-89 days	3%
Sub-standard	90-179 days	20%
Doubtful	180-359 days	50%
Loss	360 days & above	100%

The regulatory provision applies to all on and off-balance sheet facilities of banks and financial institutions.

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.6 IMPAIRMENT (CONT'D)

#### (a) Impairment of Financial Assets (Cont'd)

#### Loans and advances to customers (Cont'd)

The Prakas also requires the comparison of the regulatory provision with the impairment provision determined based on CIFRS for SMEs. In case the regulatory provision calculated in accordance with Prakas is lower than impairment loss determined based on CIFRS for SMEs, the Company shall recognise the impairment loss calculated in accordance with CIFRS for SMEs. In the case the regulatory provision is higher than impairment loss, the Company shall recognise the impairment loss in accordance with CIFRS for SMEs. In the case the regulatory provision is higher than impairment loss, the Company shall recognise the impairment loss in accordance with CIFRS for SMEs and transfer the difference from retained earnings into regulatory reserve. The Company has presented the regulatory reserve in the statement of changes in equity.

An uncollectible loan or portion of a loan classified as bad is written off after taking into consideration the realizable value of the collateral, if any when in the judgment of the management, there is no prospect of recovery. Recoveries on loans previously written off are disclosed as other income in the statement of profit or loss.

The evaluation of the adequacy of the allowance for the loan losses is based on the management's judgment of the amount necessary to maintain the allowance at a level adequate to absorb losses.

The allowance policy is based on the management's experience in relation to size of the portfolios, previous loss experience, current economic conditions and their effect on individual clients and the performance of individual loans in relation to contract terms. Bad loans are being written off when it sees fit.

#### (b) Impairment of Non-Financial Assets

The carrying values of assets, other than those to which Section 27 - Impairment of Assets does not apply, are reviewed at the end of each reporting period for impairment when there is an indication that assets might be impaired.

Impairment is measured by comparing the carrying values of the assets with their recoverable amounts. When the carrying amount of an asset exceeds its recoverable amount, the asset is written down to its recoverable amount and an impairment loss shall be recognised. The recoverable amount of an asset is the higher of the asset's fair value less costs to sell and its value-in-use, which is measured by reference to discounted future cash flows using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where it is not possible to estimate the recoverable amount of an individual asset, the Company determines the recoverable amount of the cash-generating unit to which the asset belongs.

An impairment loss is recognised in profit or loss.

(Incorporated in Cambodia) Company No: 00043909

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.6 IMPAIRMENT (CONT'D)

#### (b) Impairment of Non-Financial Assets (Cont'd)

When there is a change in the estimates used to determine the recoverable amount, a subsequent increase in the recoverable amount of an asset is treated as a reversal of the previous impairment loss and is recognised to the extent of the carrying amount of the asset that would have been determined (net of amortisation and depreciation) had no impairment loss been recognised. The reversal is recognised in profit or loss immediately.

#### 4.7 CASH AND CASH EQUIVALENTS

For the purposes of the cash flow statement, cash and cash equivalents comprise balances with original maturity of three months or less from the date of acquisition, including cash on hand, the non-restricted balances with NBC and balances with banks and other financial institutions.

#### 4.8 STATUTORY DEPOSITS WITH NATIONAL BANK OF CAMBODIA

Balances with the NBC including statutory deposits are stated at cost. Statutory deposits are maintained with the NBC in compliance with the Cambodian Law on Banking and Financial Institutions and are determined by defined percentages of minimum share capital and customers' deposits as required by the NBC. The amounts are not available to finance the Company's day-to-day operations and hence are not considered as part of cash and cash equivalents for the purpose of the statement of cash flows.

#### 4.9 LEASES

All leases that do not transfer substantially to the Company all the risks and rewards incidental to ownership are classified as operating leases and, the leased assets are not recognised on the statement of financial position of the Company.

Payments made under operating leases are recognised as an expense in the profit or loss on a straight-line method over the term of the lease.

#### 4.10 PROVISIONS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past events, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount can be made. Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. Where the effect of the time value of money is material, the provision is the present value of the estimated expenditure required to settle the obligation. The discount rate shall be a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as interest expense in profit or loss.

(Incorporated in Cambodia) Company No: 00043909

### NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

### 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### 4.11 EMPLOYEE BENEFITS

Wages, salaries, paid annual leave, bonuses and social security contributions are measured on an undiscounted basis and are recognised in profit and loss in the period in which the associated services are rendered by employees.

#### 4.12 INCOME TAX

#### (a) Current Tax

Current tax assets and liabilities is expected amount of income tax recoverable or payable to the taxation authorities.

Current taxes are measured using tax rates and tax laws that have been enacted or substantively enacted at the end of the reporting period and are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss (either in other comprehensive income or directly in equity).

#### (b) Deferred Tax

Deferred tax is recognised using the liability method for all temporary differences other than those that arise from the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on the tax rates that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and unused tax credits to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and unused tax credits can be utilised. The carrying amounts of deferred tax assets recognised are reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that the related tax benefits will be realised.

# (c) Value added tax ("VAT")

Revenues, expenses and assets are recognised net of VAT except for the VAT in a purchase of assets or services which are not recoverable from the taxation authorities, the VAT are included as part of the costs of the assets acquired or as part of the expense item whichever is applicable.

In addition, receivables and payables are also stated with the amount of VAT included (where applicable).

The net amount of the VAT recoverable from or payable to the taxation authorities at the end of the reporting period is included in other receivables or other-payables.

(Incorporated in Cambodia) Company No: 00043909

### NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 4. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

# 4.12 INCOME TAX (CONT'D)

Current and deferred tax items are recognised in correlation to the underlying transactions either in profit or loss, other comprehensive income or directly in equity. Deferred tax arising from a business combination is adjusted against goodwill or negative goodwill.

Current tax assets and liabilities or deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when the deferred taxes relate to the same taxable entity (or on different tax entities but they intend to settle current tax assets and liabilities on a net basis) and the same taxation authority.

#### 4.13 REVENUE FROM CONTRACTS WITH CUSTOMERS AND OTHER INCOME

Revenue from contracts with customers is measured based on the consideration specified in a contract with a customer in exchange for transferring services to a customer net of sales and service tax, returns, rebates and discounts. The Company recognises revenue when (or as) it transfers control over a service to customer. Depending on the substance of the contract, revenue is recognised when the performance obligation is satisfied, which may be at a point in time or over time.

(a) Interest Income

Interest income is recognised on an accrual basis, based on the effective interest method. Interest income on performing loans and advances, and deposits and placements with banks are recognised on a daily accrual basis.

The policy on the suspension of interest is in conformity with the National Bank of Cambodia's guidelines on the suspension of interest on non-performing loans and provision for loan losses.

(b) Fee and commission income

Loan arrangement fee and commissions are recognised in the statement of income when all the conditions precedent are fulfilled.

Service charges, processing fees and other operating income are recognised when the right to receive payment is established.

# NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 22. TAX CONTINGENCIES

The taxation system in Cambodia is relatively new and is characterized by numerous taxes and frequently changing legislation, which is often unclear and subject to interpretation. Often different interpretations exist among numerous taxation authorities and jurisdictions. Taxes are subject to review and investigation by a number of authorities who are enabled by law to impose severe fines, penalties and interest charges.

These facts may create tax risks in Cambodia, substantially more compared to other countries. Management believes that tax liabilities have been adequately provided based on its interpretation of tax legislations.

The tax returns filed by the Company are subject to examination by the tax authorities. As the application of tax laws and regulations is susceptible to varying interpretations, the amounts reported in the financial statements could be changed at a later date upon final determination by the tax authority.

# 23. LEASE COMMITMENT

The Company leases an office under a cancellable operating lease. The lease period is from 1 August 2019 to 31 July 2024 with an option to renew after that date. The Company is restricted from sub-leasing the leased assets to third parties.

The future minimum lease payments under the cancellable operating leases are as follows: -

The main risks arising from the Company's financial instruments in the normal course of business are operational risk, credit risk, market risk and liquidity risk.

The Company does not use derivative financial instruments such as foreign exchange contract and interest rate swaps to manage its risk exposures.

These risks are limited by the Company's financial management policies and practices described below.

(Incorporated in Cambodia) Company No: 00043909

#### NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 24. FINANCIAL INSTRUMENTS (CONT'D)

#### 24.2 OPERATIONAL RISK

Operational risk is the risk of direct or indirect loss arising from inadequate or failed internal processes, personnel, technology and infrastructure, and from external factors other than credit, market and liquidity risks such as those arising from legal and regulatory requirements and generally accepted standards of corporate behaviour.

The operational risk losses is managed through established operational risk management processes, proper monitoring and reporting of the business activities by control and support units which are independent of the business units and oversight provided by the senior management of the Company.

The Company's operational risk management entails the establishment of clear organisational structures, roles and control policies. Various internal control policies and measures have been implemented including the establishment of signing authorities, defining system parameters controls, streamlining procedures and documentation and compliance with regulatory and other legal requirements.

#### 24.3 CREDIT RISK

Credit risk is the potential loss of revenue and principal losses in the form of specific provisions as a result of defaults by the borrowers or counterparties through its lending and investing activities.

The primary exposure to credit risk arises through its loans to customers. The amount of credit exposure in this regard is represented by the carrying amounts of the assets on the statement of financial position. The lending activities are guided by the Company's credit policy to ensure that the overall objectives in the area of lending are achieved; i.e., that the loans portfolio is strong and healthy and credit risks are well diversified. The credit policy documents the lending policy, collateral policy and credit approval processes and procedures implemented to ensure compliance with NBC Guidelines.

The Company holds collateral against loans to customers in the form of mortgage interests over property and guarantees. Estimates of fair value are based on the value of collateral assessed at the time of borrowing, and generally are not updated except when a loan is individually assessed as doubtful.
(Incorporated in Cambodia) Company No: 00043909

#### NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

#### 24. FINANCIAL INSTRUMENTS (CONT'D)

#### 24.3 CREDIT RISK (CONT'D)

(a) Credit risk measurement

Procedures of risk limit setting, monitoring, usage, and control are governed by credit programs which set out the plan for a particular product or portfolio, including the target market, terms and conditions, documentation and procedures under which a credit product will be offered and measured.

The Company assesses the probability of default of individual counterparties by focusing on borrowers' forecast profit and cash flows.

(b) Risk limit control and mitigation policies

The Company manages limits and controls concentration of credit risk whenever they are identified.

Exposure to credit risk is managed through regular analysis of the ability of the borrowers and potential borrowers to meet interest and capital repayment obligations and reviewing these lending limits where appropriate. Exposure to credit risk is also managed in part by obtaining collateral as well as by providing for loan losses. Limits on level of credit risk by product and industry sector are approved by the Directors.

In general, most of the Company's loans and advances to customers are secured from of collateral pledged to the Company, and according the Company normally assumes minimal risks.

(c) Impairment and provisioning policies

The Company is required to follow the mandatory credit classification and provisioning in accordance with the relevant Prakas issued by NBC, as stated in note 4.6 to the financial statements.

Loans and advances past due 30 days but less than 90 days (15 days to 30 days for short-term loans and advances) are not considered impaired, unless other information available indicates otherwise. A minimum level of specific for impairment is depending on the classification concerned.

The information about the exposure to credit risk and the loss allowances calculated under CIFRS for SMEs for loans and advances are summarised below: -

#### NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

#### 24. FINANCIAL INSTRUMENTS (CONT'D)

#### 24.3 CREDIT RISK (CONT'D)

The table above represents the maximum credit risk exposure to the Company as at 31 December 2022, without taking into account any collateral held or other credit enhancements 89% (2021: 100%) of the total maximum credit exposure is derived from loans and advances to customers in Cambodia.

#### (e) Exposure to credit risk

At the end of the reporting year, the maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statement of financial position of the Company after deducting any allowance for impairment losses (where applicable).

#### Write-off policy

In compliance with NBC Guidelines, the Company shall remove a loan/advance or a portion of a loan from its balance sheet when the Company loses control of the contractual rights over the loan or when all or part of a loan is deemed uncollectible; or there is no realistic prospect of recovery.

#### Collateral

The Company holds collateral against loans and advances in the form of mortgage interests over property and/or guarantees. Estimates of fair value are based on the value of collateral assessed on an annual basis. There were no non-financial assets obtained by the Company during the year by taking possession of collateral held as security against loans and advances. The repossessed properties have to be sold within one year as the required by the NBC Guidelines and are classified in the statement of financial position as foreclosed property.

#### Concentration of credit risk

The credit exposure of the Company as at 31 December 2022 is wholly derived from Cambodia based on the country of domicile of the counterparties. The analyses of concentrations of credit risk from loans and advances at the balance sheet date are shown in Note 7.

(Incorporated in Cambodia) Company No: 00043909

#### NOTE TO FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

#### 24. FINANCIAL INSTRUMENTS (CONT'D)

#### 24.4 MARKET RISK

Market risk is the risk of loss arising from adverse movement in the level of market prices or rates, the two key components being foreign currency exchange risk and interest rate risk. Market risk arising from the trading activities is controlled by marking to market the trading positions against their predetermined market risk limits.

(a) Foreign currency exchange risk

Currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchanges rates.

The Company has no material exposures to currency risk as it transactions essentially in US Dollar. Therefore, no sensitivity for foreign currency exchange risk was presented.

#### (b) Interest rate risk

Interest rate risk refers to the volatility in net interest income as a result of changes in the levels of interest rate and shifts in the composition of the assets and liabilities. Interest rate risk is managed through close monitoring of returns on investment, market pricing, cost of funds and through interest rate sensitivity gap analysis. The potential reduction in net interest income from an unfavourable interest rate movement is monitored against the risk tolerance limits set.

The table below summarise the Company's exposure to interest rate risk which include assets and liabilities at carrying amounts, categorised by the earlier of contractual re-pricing or maturity dates.

#### 24.5 LIQUIDITY RISK

Liquidity risk relates to the ability to maintain sufficient liquid assets to meet its financial commitments and obligations when they fall due at a reasonable cost.

In addition to full compliance of all liquidity requirements, the management of the Company closely monitors all inflows and outflows and the maturity gaps through periodical reporting. Movements in loans and customers" deposits are monitored, and liquidity requirements adjusted to ensure sufficient liquid assets to meet its financial commitments and obligations as and when they fall due.

(a) Maturity Analysis

The following table sets out the maturity profile of the financial liabilities at the end of the reporting period based on contractual undiscounted cash flows (including interest payments computed using contractual rates or, if floating, based on the rates at the end of the reporting period):-

	Weighted Average Effective Interest Rate %	Carrying Amount USD	Contractual undiscounted cash flow USD	Within 1 Year USD	1 - 5 Years USD	Over 5 Years USD
<u>2022</u>						
<u>Non-derivative</u> <u>Financial Liabilities</u> Loans from third parties Other liabilities	6.50% n/a	1,500,000 40,483	1,883,500 40,483	197,500 40,483	1,686,000 -	-

#### 24.6 CAPITAL RISK MANAGEMENT

(a) Regulatory Capital

The Company's objectives when managing capital, which is a broader concept than the 'equity' on the face of the statement of financial position, are: -

- To comply with the capital requirements set by the NBC;
- To safeguard the Company's ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders; and
- To maintain a strong capital base to support the development of the business.

The NBC requires all the Company to (i) fulfill the minimum capital requirements, and (ii) comply with solvency, liquidity and other requirements.

(b) Capital allocation

The allocation of capital between specific operations and activities is, to a large extent, driven by optimisation of the return achieved on the capital allocated. The amount of capital allocated to each operation or activity is based primarily upon the regulatory capital.

There was no change in the Company's approach to capital management during the financial period.

#### 24.7 FAIR VALUE INFORMATION

The methods used in determining the fair values of financial instruments recognised on the statements of financial position are disclosed in their respective notes to the financial statements. G B MICROFINANCE INSTITUTION PLC. SUPPLEMENTARY FINANCIAL INFORMATION AND OTHER NOTES ON COMPLIANCE WITH THE NBC'S PRAKAS (this does not form part of the audited financial statements) As at 31 December 2022

#### STATEMENT BY MANAGEMENT

We, being the Directors of G B Microfinance Institution Plc, do hereby state that in our option the accompanying supplementary financial information consisting in disclosures requirements set by relevant Prakas and guideline issued by the National Bank of Cambodia is properly drawn up so as to reflect fairly the required financial information of the Company as at 31 December 2022. Information and data contained herein are the responsibility of the Company's management.

Mr. Tang Kuonghow

Chairman

Date: 27 April 2023
